International Infrastructure Solutions Technical Solutions

International Infrastructure Solutions (IIS)

Improving the Triple Bottom Line (Environment, Economic & Social) through Advanced Infrastructure Solutions”

World Trade Center-Indy & IIS

- International Infrastructure Solutions, LLC (IIS) - Based in Indianapolis, IN
- The purpose of the IIS is to take advantage of the unique business relationship with the global 320+ World Trade Center (WTC) franchises through the WTC-Indianapolis.
- IIS is an affiliate of the WTC-Indy, it is the goal for IIS to be the gateway for providing infrastructure technical solutions to this well recognized and respected global network.

World Trade Center (WTC) - Indy

- World Trade Center Indianapolis is a licensed member of the World Trade Centers Association.
- The World Trade Centers Association, founded in 1969 and headquartered in New York City, consists of over 320 member organizations in more than 90 countries and serves as an “international ecosystem” of reciprocal global connections, commercial properties, and integrated services.
- World Trade Center services include: trade information and education; trade missions; business-to-business matchmaking on an international scale; legal and business services; membership club services; exhibition services and tenant services.
